Digital Transfer

The screenshot shows the SDS Digital Transfer interface. At the top, there's a navigation bar with 'Home', 'Digital Transfer', 'Case Entry', 'Case Manager', and 'Billing'. A search bar is on the right. The main section is titled 'Digital Transfer' and has tabs for 'Design', 'Manufacture', and 'Downloads'. Below the tabs is a table with columns: CASE#, Patient Name, Item, Teeth, and Material. The table lists five cases. Below the table, there's a red text prompt: 'Drop your 3shape, exocad, Shinn 3D Panda, Medit scan file here,' followed by a cloud icon and 'Drop file here or click to upload'. At the bottom, there's a list of uploaded files with their case numbers and names. A red text prompt 'Please zip your file before you send to SDS.' is overlaid on the right side of the interface.

Drop file here or click to upload

Please zip your file before you send to SDS.

This screenshot is similar to the one above but includes annotations. A red arrow labeled '2' points to the 'Create Case' button with the text 'Create it.'. Another red arrow labeled '1' points to a blue checkmark icon in the top right corner of the table with the text 'Select your files'. The table has an additional column 'SHADE' and 'Instructions'. The file upload area at the bottom shows a list of uploaded files with green checkmarks next to them.
